

This year's IREM tradeshow held June 10th had an estimated 2,000 attendees. IFMA OC provided a booth and conducted a panel discussion that was well attended. This was a positive environment in which good contacts were made with the real estate management industry.

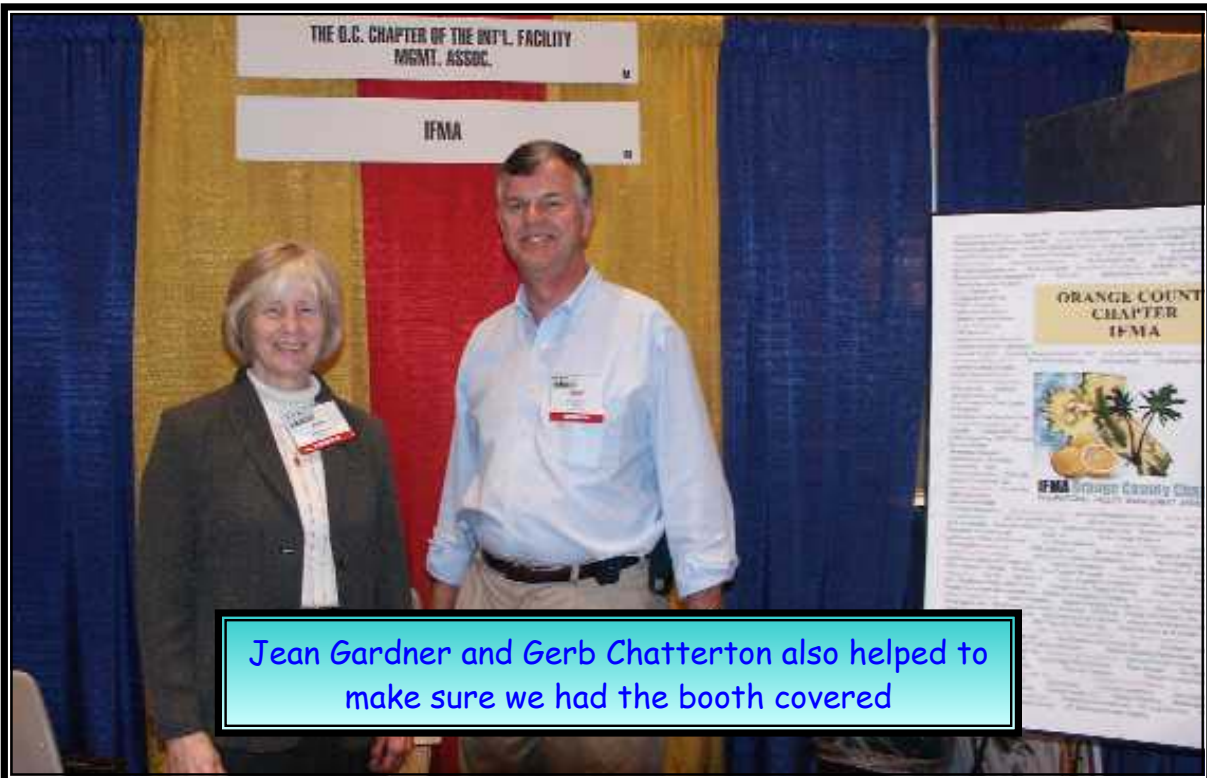

IFMA OC presented a panel discussion at the show that had over 200 in attendance. The panel (Meg Farrel, W. Bret Hardy, & David Allred) prepared with Trish Secor.
