

TARGET CORPORATION

We are Target, a top general merchandise retailer in the nation. 13th on the Fortune 500 most admired companies list, Target is an unbeatable place to work. As a member of our team, you'll find challenge, fun and benefits that few companies can match. Our focus is on our employees as we strive to create the Best Company Ever. This includes many opportunities for learning and career development in a fast, fun, and friendly environment.

We are currently seeking an experienced **leader** to join us as a District or Group Building Services Team Leader. District Building Services Team Leaders (DBSTL) and Group Building Services Team Leaders (GBSTL) are responsible for **leading** building services teams and delivering great looking stores by managing the brand maintenance everyday.

Opportunities are available in various locations.

SEE YOURSELF IN LEADERSHIP:

- Overseeing store preventative and corrective maintenance within assigned areas of responsibility, including interior, exterior and equipment brand maintenance
- Perform building and ground inspections to ensure that standards are maintained
- Negotiating and/or managing outside service contracts
- Directing management of inventory control system for equipment, materials, and inventoried supplies
- Recruiting, selecting, developing, reviewing and retaining talented District Building Services Team Leaders, Store Building Specialists or Technician team members
- Participating in District/Store meetings, Building Services HQ conference calls and store assessments
- Driving a safety culture within stores and addressing unsafe behaviors

REQUIREMENTS:

- College degree or equivalent experience
- Demonstrated success in **leadership**, management, and supervision
- Demonstrated ability to complete multiple tasks simultaneously
- Demonstrated strategic planning and analytical skills
- Strong interpersonal, organization, conflict management, administration, reasoning and decision making skills
- Ability to delegate responsibility effectively and provide clear oral directions to others
- Strong cognitive skills, including problem analysis, decision making, financial and quantitative analysis
- Strong oral and written communication skills, reasoning, problem solving, conflict management, and analytical skills
- Ability to work nights and weekends, occasional overnight travel is required (Slight variance in travel required between DBSTL and GBSTL)
- Able to access all areas of building (ascending and descending ladders, rooftops, etc.)
- Able to operate motor vehicles. Possession of a valid driver's license and/or commercial license, if required by state
- Basic computer literacy of Microsoft Outlook, Excel, Word, and the Internet
- Experience with maintenance and general construction knowledge preferred
