

## **Job Opening - National Director of Facilities**

My name is Lisa Knupp. I am with Huntington Partners. We are a national executive search firm and we work exclusively within the real estate industry. For additional information on our firm please feel free to visit our website at [www.huntingtonpartners.com](http://www.huntingtonpartners.com).

I am working on a search for a large Real Estate Investment Trust based in California. They are looking for a **National Director of Facilities** to base in their corporate office and oversee a portfolio of over 1,500 locations. The company has grown by 25% over the last 18 months and they are a leader in their industry.

Duties Include:

- Setting the strategic direction of the company's preventative maintenance programs and standards.
- Recruiting, mentoring and developing a staff of over 30.
- Responsible for developing and executing an annual capital expenditure program on existing properties.
- Financial forecasting and reporting against the capital plan on a regular basis.

Requirements Include:

- Proven leadership ability and the ability to manage a team.
- Technical ability and experience in multi-location facilities.
- Experience with and knowledge of best practices for project management, construction, HVAC, signage, paving and roofing.
- A minimum of 10 years of experience in related facilities management position.
- Bachelor's Degree required and MBA is desired.

Please let me know if you'd like to learn more about this opportunity or know of anyone who may be interested.

Thank you,

Lisa
