

OCCUPANCY PLANNER-SEATTLE

A national A/E/C consulting organization seeks an occupancy planning professional, to assist a major client in creating short & long term business case projections and occupancy plans, that align with the overall master plan. Position must adhere to campus adjacency requirements, and ensure successful implementation of occupancy options. A BS degree is preferred, strong AutoCAD skills mandatory, proficiency with Excel, Power Point, and MS Office Suite, and at least 3-4 years similar experience in a corporate environment.

A comprehensive compensation/benefits package will be offered, and relocation assistance provided if requested. Interested candidates should forward a detailed resume as a Word Document, including most recent compensation level, to: chrisgroup@bellsouth.net, attn: Chris Sprehe, President, Christopher Group Executive Search. All inquiries will be treated in strictest confidence.
