Dear Fellow IFMA Members,

Thank you for the honor and privilege of serving as your chapter president. It has been a successful year of growth and new experiences for our chapter. Due to the dedication and volunteerism of almost one third of our membership, we have welcomed 66 new members, continued offerings in quality educational programs, the Winter Faire, and two fun golf tournaments. Significant milestones were achieved this term. UCI became one of the first officially IFMA recognized Certificate Programs in Facility Management, due to the efforts of our local chapter members. This recognition qualifies the program for IFMA scholarship funds. In the spring, our chapter sponsored the first West Coast Facility Management Conference and Trade Show, (WESTFAC) which brought a new enthusiasm to our chapter. It is our hope that the momentum and interest continue as we venture into the time of annual leadership transition. Thank you for all of your support and involvement.

Our chapter is known for being “friendly” and approachable. We pride ourselves in fostering a spirit of teamwork and partnership within our organization. For many of us, the relationships we have built over the years are invaluable. I encourage you to continue your involvement, or try something new. I challenge you, in the coming year; reach out to a member you may not know or invite a prospective member to a meeting. Keep the faith!
