

VOLUNTEER OF THE MONTH - 2005- 06

Each month the Executive Board reviews our Member's volunteer efforts and chooses one who has demonstrated a high level of commitment. The following have provided their unique services, helping to make IFMA OC the success that it is.

July 2005

Betty Friedrichs, Bentley/Prince Street. Betty did an outstanding job in coordinating all the details for our annual dinner and awards banquet at the Orange County Mining Co. The Boot Scootn' Boogie theme was carried out from the invitations through every aspect of the evening. Betty's commitment to the Chapter is evident in her desire to create an event that makes IFMA OC what it is.
